

Join the EAIC at the SelectUSA Investment Summit 2018 (June 20-22) in Washington D.C.

The SelectUSA Investment Summit is the highest-profile event dedicated to promoting foreign direct investment (FDI) in the United States. This signature event provides an unparalleled opportunity to bring together companies from all over the world, economic development organizations from every corner of the nation, and other parties working to facilitate business investment in the United States. Featuring senior government officials, C-Suite business executives, and other thought leaders, each summit focuses on a timely theme related to the U.S. investment environment, industry trends, and new opportunities.

After having a great event with an own booth at the 2017 Summit, the EAIC has decided to have a joint EAIC booth for all its members in 2018. This offers exclusive opportunities for EAIC members:

Standard Summit Package* <ul style="list-style-type: none"> – Participation in Networking Breakfast with Site Selectors and other experts of the EAIC Advisory Council – Co-exhibitor at the EAIC booth and one company meeting in a small group of member communities 	\$1,000

*A ticket for the Summit is not included in our package, since we want to give every member the chance to decide individually which ticket category they would prefer. More information on ticket categories can be found [here](#).

**individual pricing as soon as we know which events we can attend.

The Standard Summit Package fee will be charged after registration, while all additional company meetings will be charged after the Summit. All co-exhibitors have the opportunity to register for additional meetings at the Summit.
